

Load Restraint (1-Day)

TLIA1001 Secure Cargo & TLID2004 Load and Unload Goods/Cargo

The load restraint course provides important load restraint information for students to get started on securing cargo as well as load and unloading goods/cargo. The student will learn the necessity to restraint the load, the legal obligations in various states/territories, understand the key elements of a load restraint system and finally an overview of the different load restraint methods available.

ASSESSMENT OUTCOME:

- Prepare to secure cargo/containers
- Lash and unlash cargo
- Protect cargo from weather
- Pack and unpack cargo
- Load and unload goods/cargo
- Secure and protect load
- Complete documentation

Upon successful completion of this course, student will be awarded the Statement of Attainment and a wallet-size card* inclusive of the Nationally Accredited course information, student name and course attended date.

(* SOA and card will be issued after full payment is received)
